2.) Availability and discontinuation of the Revox Bass S04 Active

At certain times, we have to make decisions regarding our product range. In doing so, we are also dependent on external circumstances and necessities.

Due to the situation in the supplier market, the availability of important components can no longer be guaranteed by some of our partners at short notice as agreed. In order to ensure planning security as well as good and fair customer advice, we have therefore decided to discontinue the **Revox Bass S04 Active** from our product range.

1.) Revox Bass S04 Active white

Only a few units of the Bass S04 Active in white are still available.

NOTE: Orders for these will be delivered in the order in which they are received.

Order no: 108443900 white

Price: 1,550.- € / pc incl. VAT

2.) Revox Bass S04 Active black

The Bass S04 Active black is no longer available.

Please inform your customers.

Please use the Revox **STUDIOART B100 Bass Module** (available in black and white) for your customer consultations and your planning of offers. This bass can be combined with all Revox floorstanding speakers. You can find the corresponding data sheet on our website www.revox.com or on the Revox support page.

Order no: 141070100 **black**

141070200 **white**

Price: 995.- € / pc incl. VAT

If you have any questions, please contact our internal sales department or your sales consultant directly.
